

Official opening of the expanded ACOSS building!

It is our great pleasure to share with you news about the grand opening of the newly expanded and refurbished ACOSS international art space and residency centre in Yerevan, Armenia.

The opening was held in June 17, 2018. We had many guests from local community and international. I would like to mention some names of attendees who backed for the project in Indiegogo and were able later to attend the opening - Rachelle Viader Knowles (UK/Canada), Elisabeth Randabel (UK), Jan Doms (The Netherlands) also representing Rotary Club Gilze-Rijen en Dongevallei, John Hammersley (UK).

To learn more, please visit our [campaign page in indiegogo](#) .

Feel free also to contact us directly if you have any question or special idea to support our campaign and sponsor Art space and residency projects.

For Paypal transfer also first contact us in order to get Paypal address.

Main exterior construction was finish still some interior work we have to do for what we intend to start another crowdfunding campaign soon. In new space we held an exhibition of artworks donated as part of the fundraising campaign that has made this renovation possible.
