

<p>Visual◆Arts </p>USA◆<p>July◆02 -◆August 9, 2015</p><p> </p><p>I intend to spend time working on the project I have addressed below, while in residence at the Art Center of Social Studies. Through large-scale paintings coupled with field recordings, I aspire to immerse the viewer in the particular space or spaces. My aim is to inspire the viewer to consider what different structures, both figurative and literal, can communicate about broader social and cultural processes. </p><p></p>
